

Community Schools Ambassador Program

Philadelphia Coalition Advocating for Public Schools
Community Schools Taskforce

Part One: Overview of Community Schools Strategy

1. FORM a core of stakeholders.
2. ENGAGE your school and community sessions, surveys, census and academic data research, to develop a vision and strategy.
3. UNDERSTAND the challenges and opportunities at the school, neighborhood and systems level.
4. ANALYZE the results of the needs and assets map and visioning process, and identify priorities.
5. CREATE a plan to address priorities.
6. STAY CONNECTED to your broader school community.
7. EVALUATE regularly.
8. WORK TOGETHER to overcome challenges and barriers.

Part Two: Community Needs, Assets, and Vision Mapping

- Community Resource Assessment
- Transformative Parent Engagement

Part Three: Analyzing Community Input & Making a Plan

- Smith Elementary School
- Caring Elementary
- Community Learning Center

Part Four: Media/ Communications and Evaluation for Community Schools
