Data-Driven Decision-Making with Schools

sephillyyouth.com

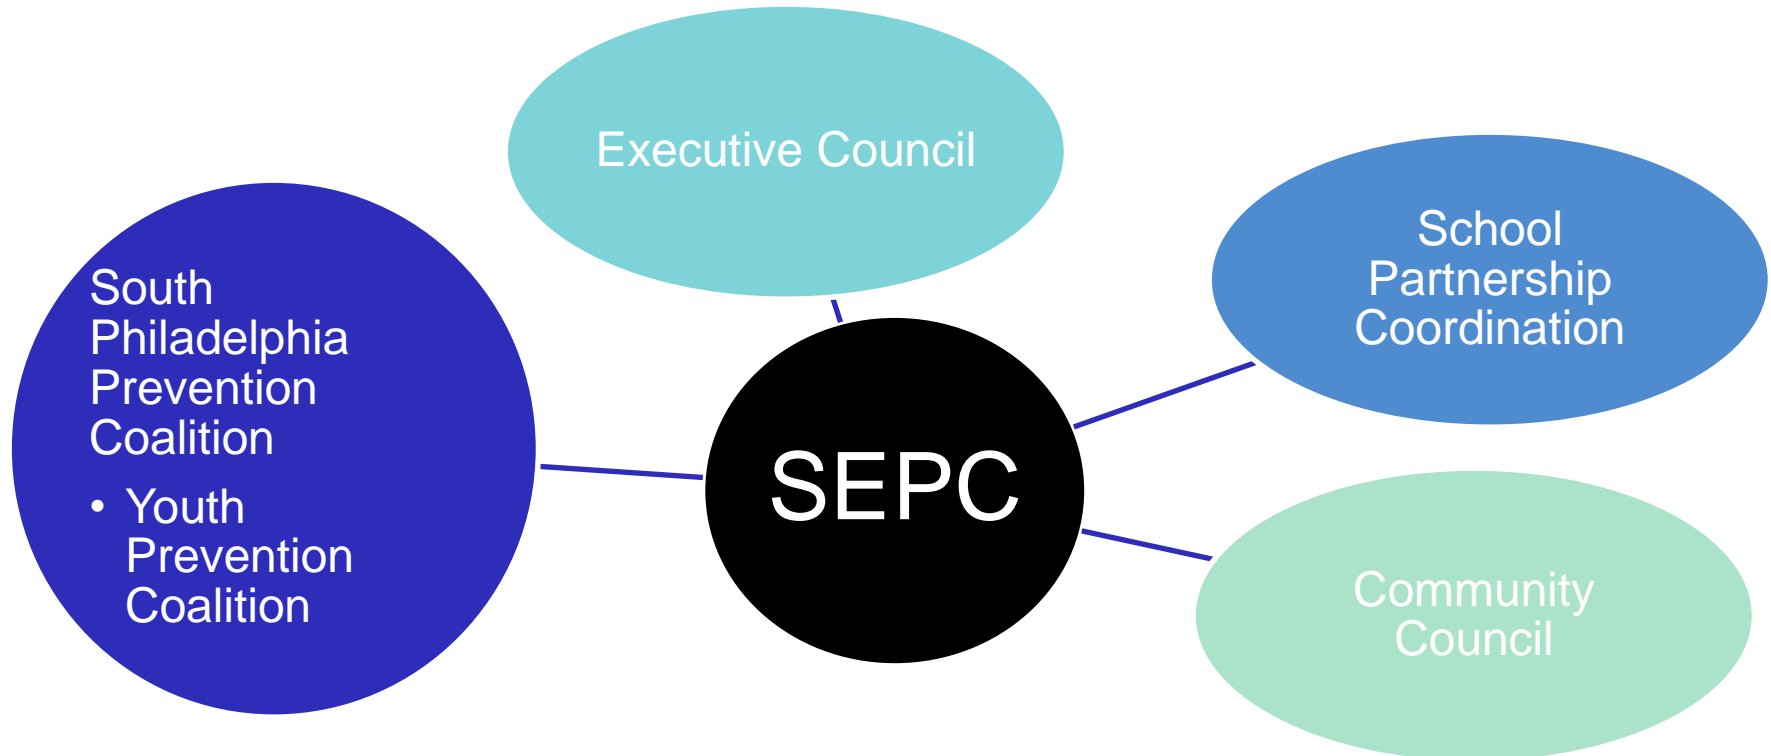

Southeast Philadelphia Collaborative

The mission of the Southeast Philadelphia Collaborative is to coordinate youth and adult partnerships that provide and promote youth development and leadership opportunities in Southeast Philadelphia.

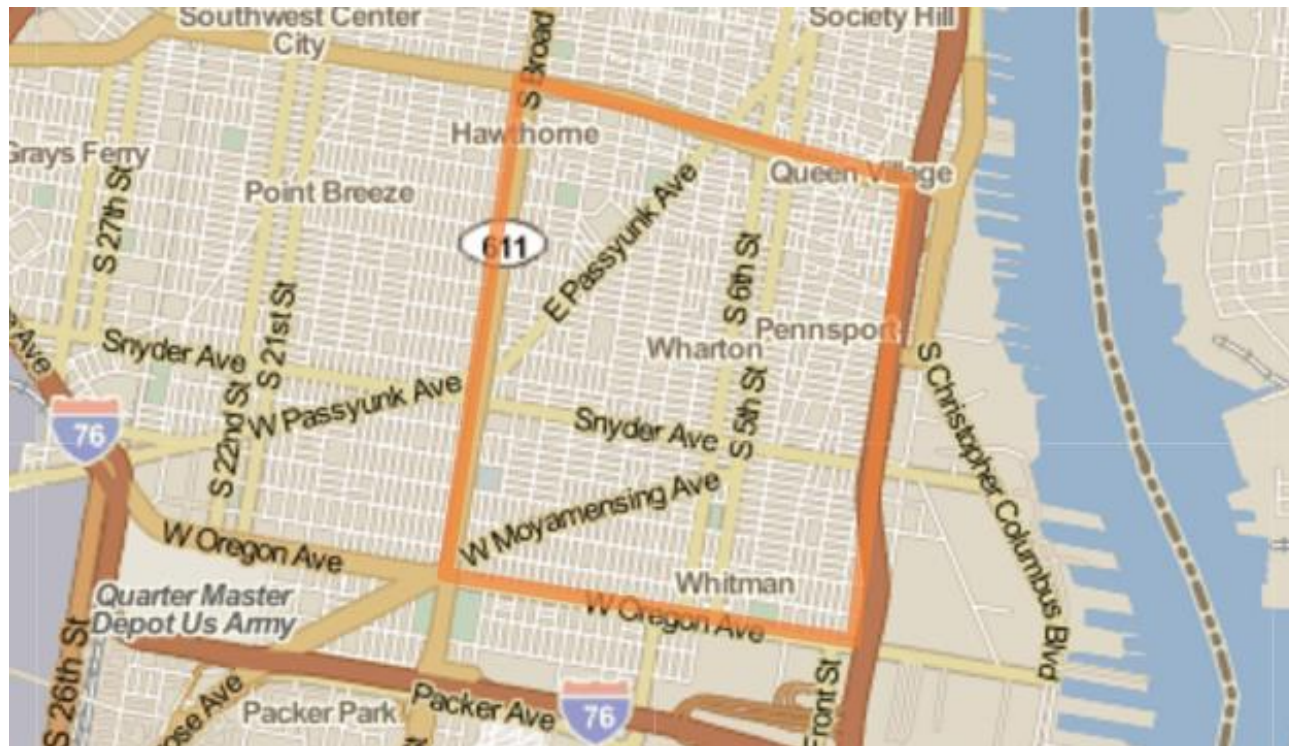

SEPC Network

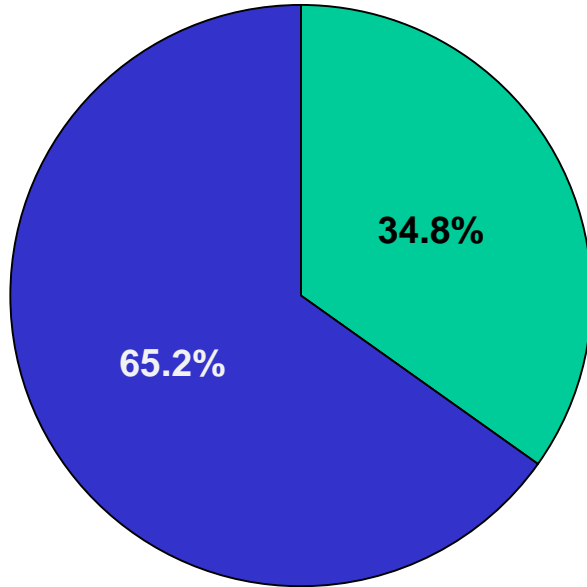

South Philadelphia Overview

Language Diversity in Schools

■ ELL ■ Non-ELL

Challenges Created

- Communication barriers
- Cultural barriers
- Racial tension
- Insufficient services
- Lack of trust

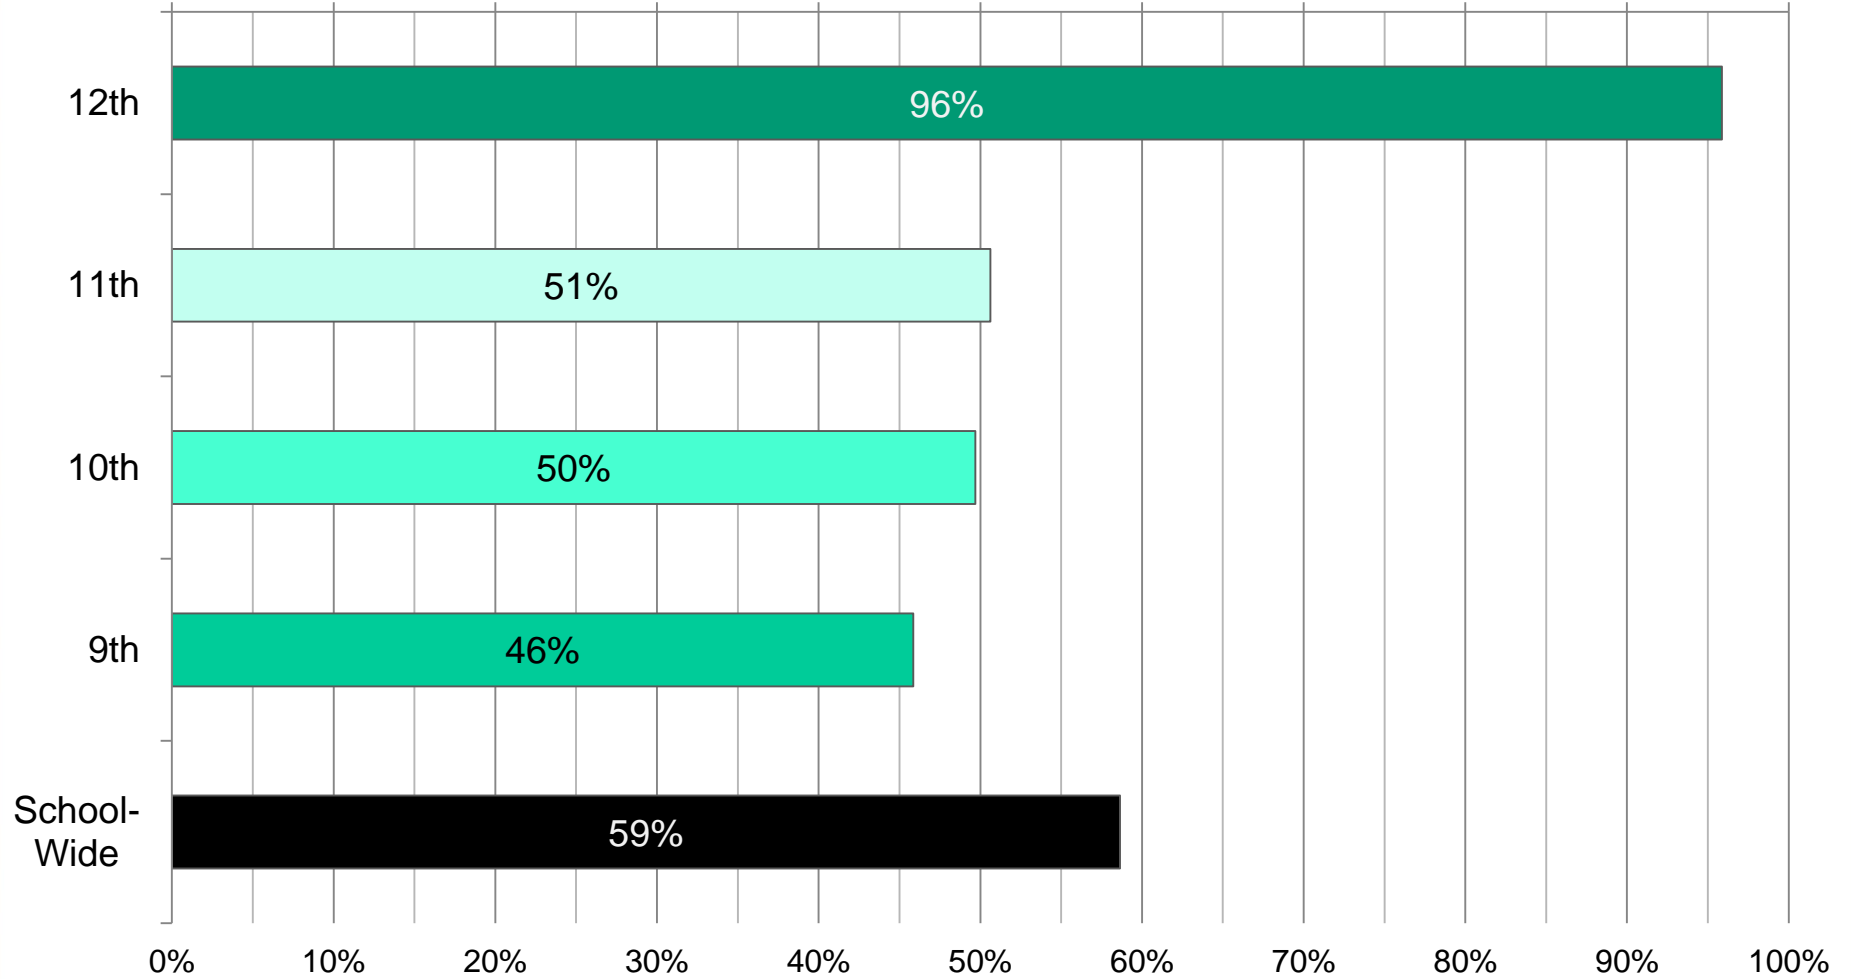

Coordinating Partners Increases Communication

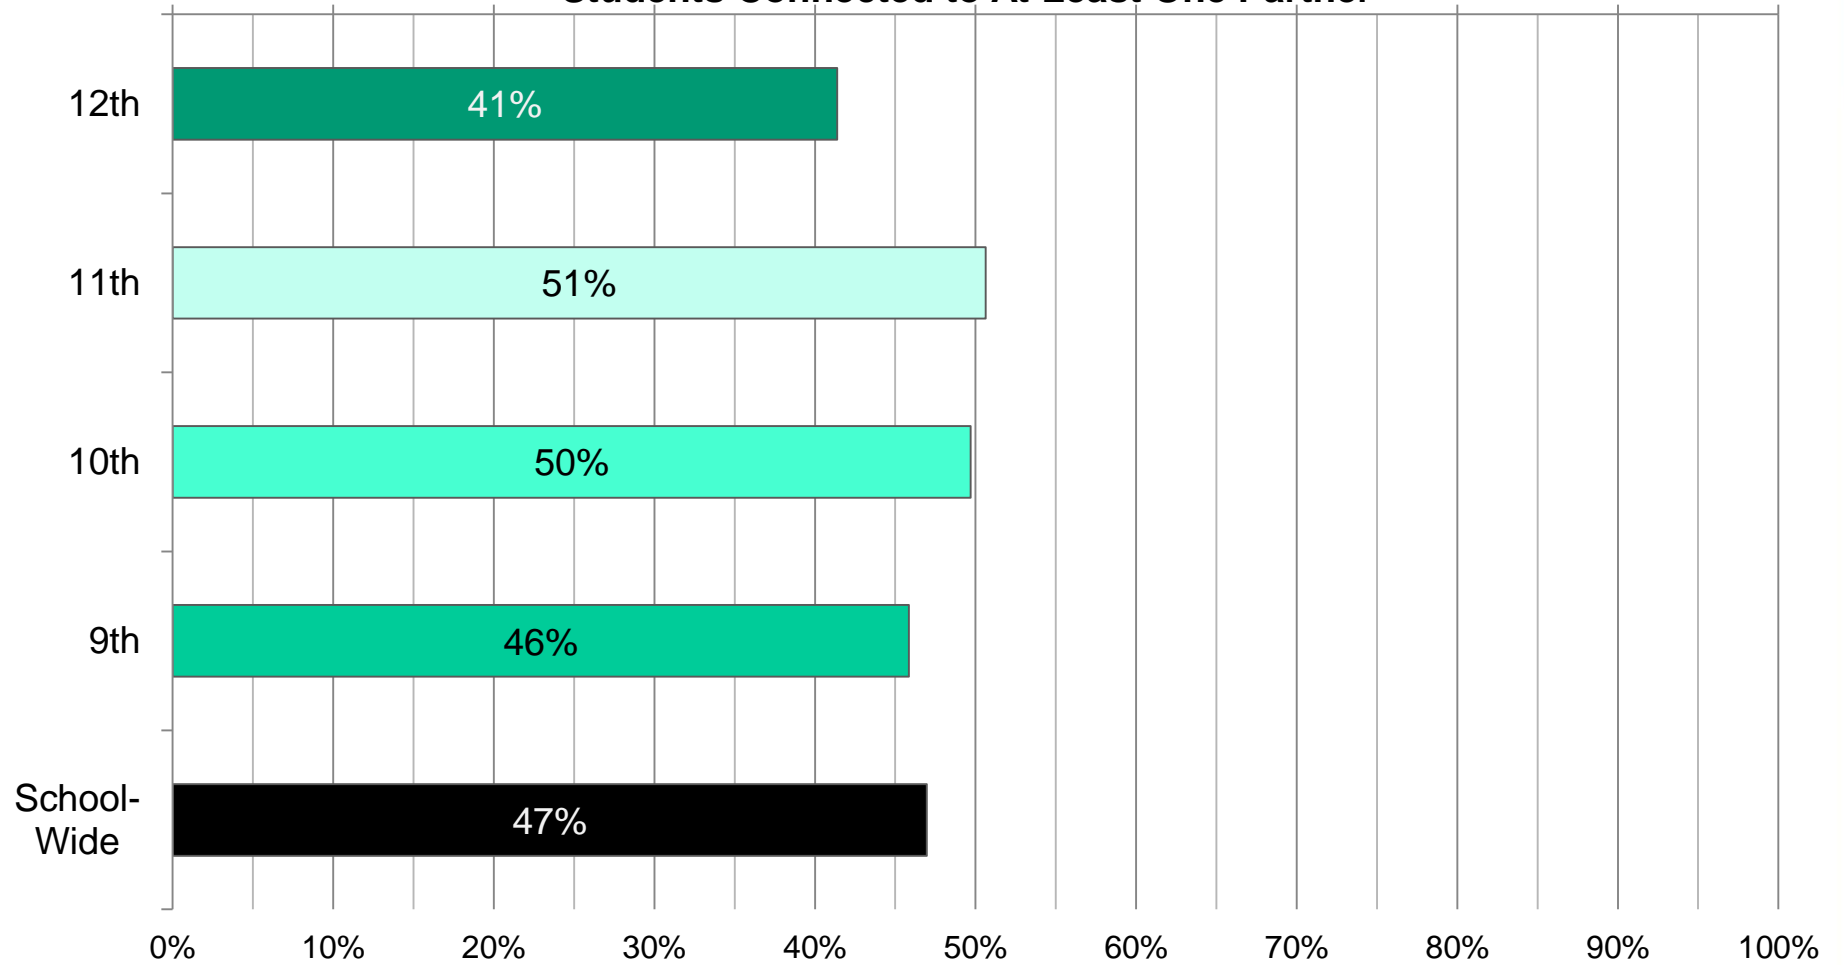

Students Connected to At Least One Partner

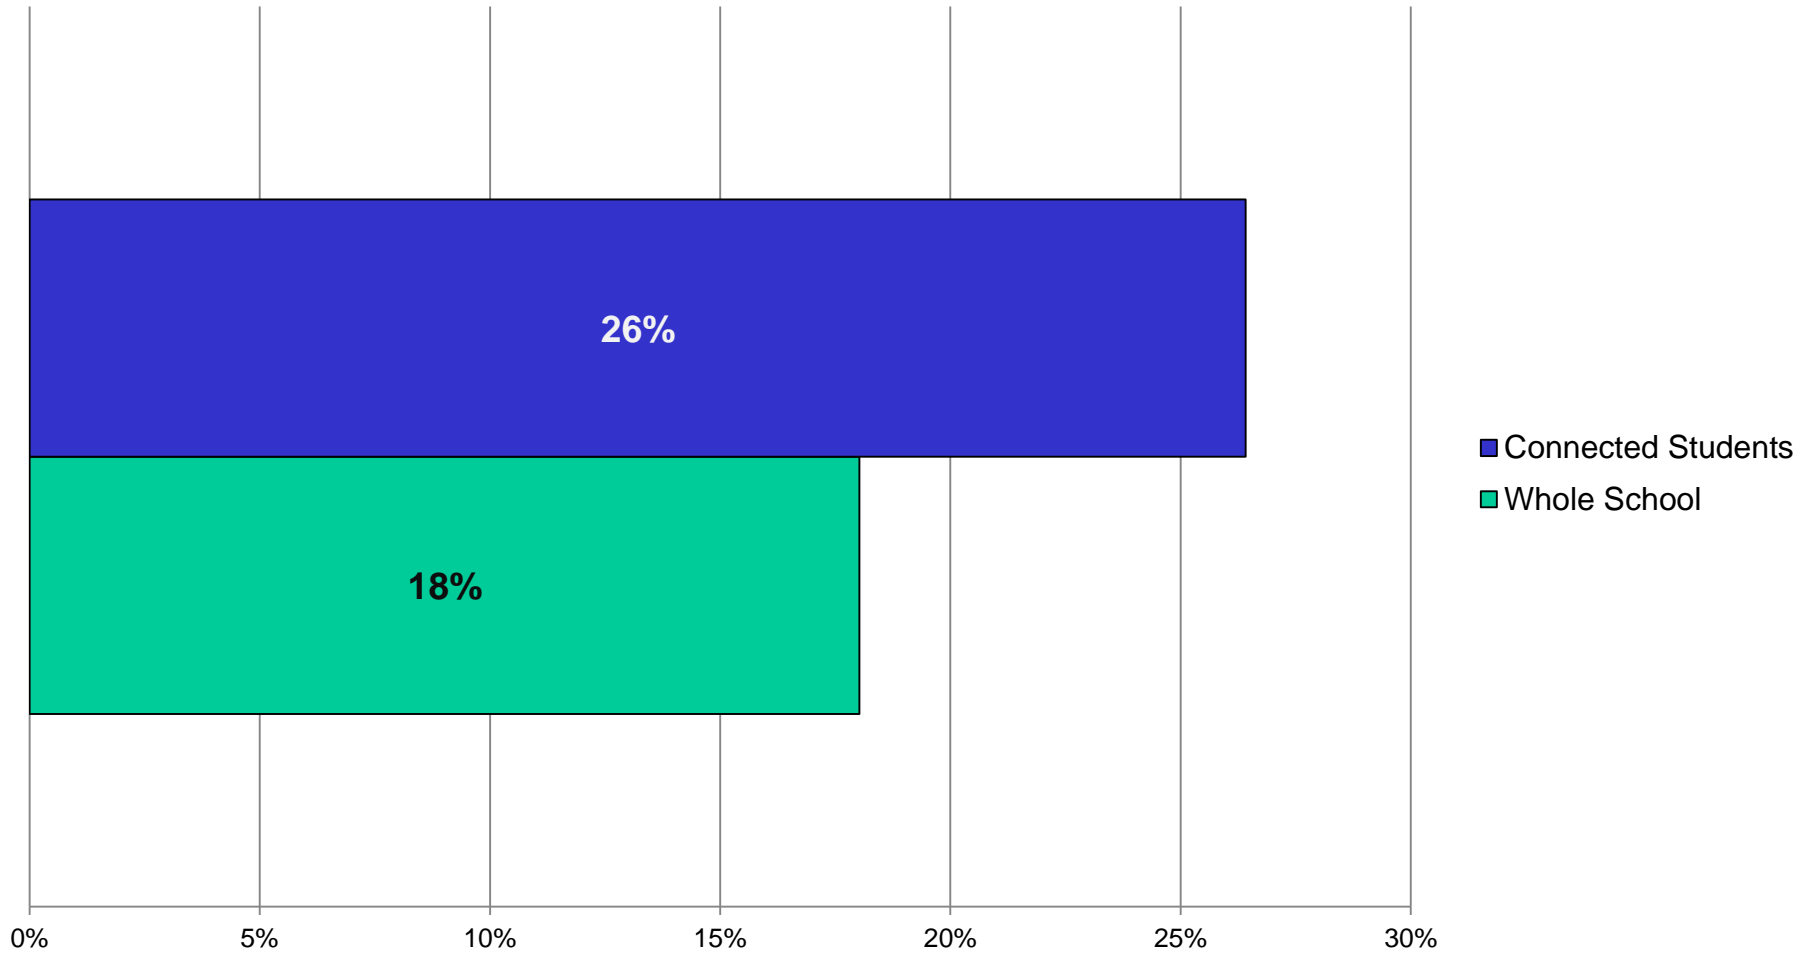

Students Connected to At Least One Partner

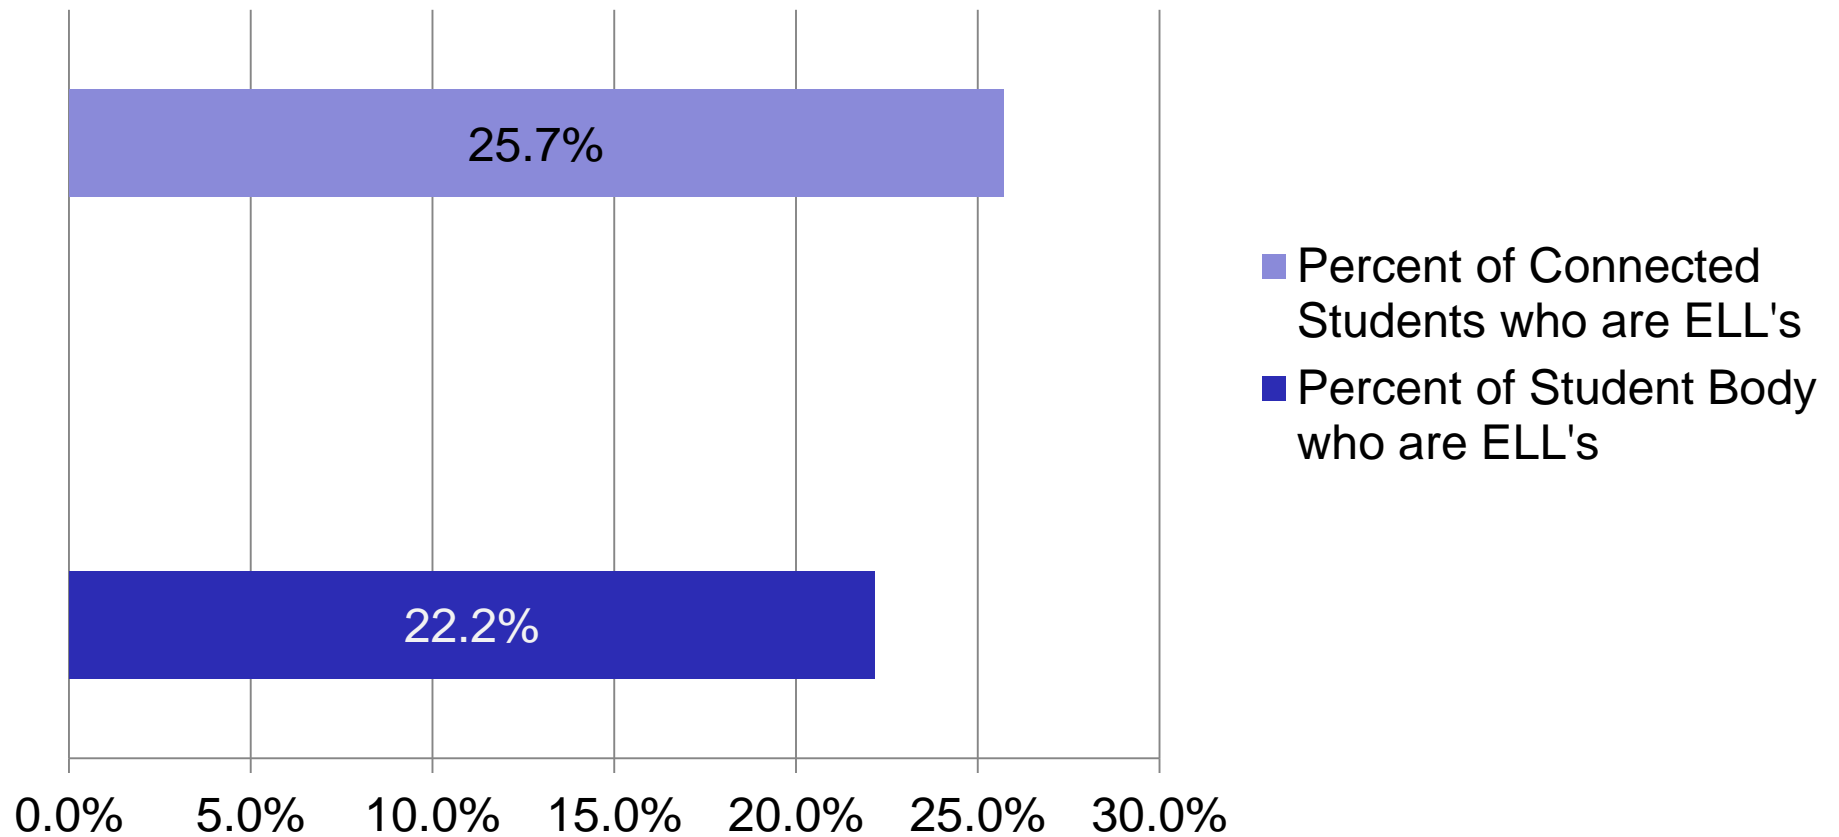

Percent of Students with One or More Suspensions

English Language Learners Connected to Services

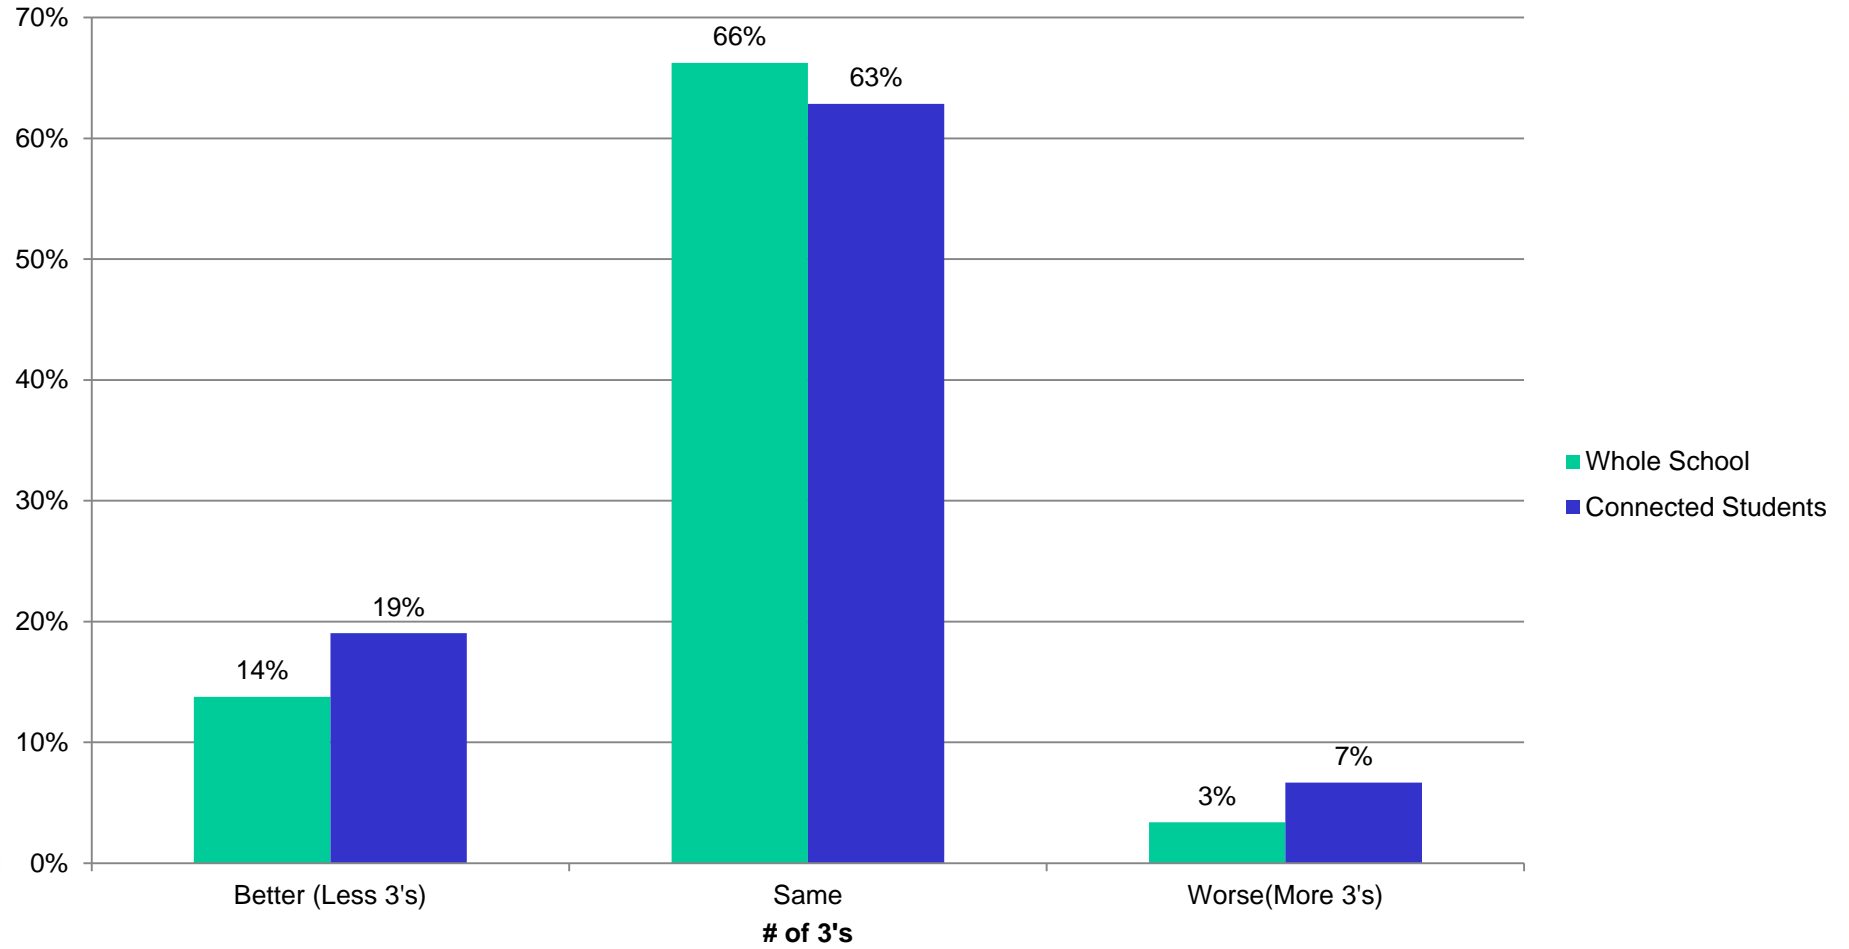

Discussion Questions

1. What does this data tell you?
2. Imagine you're sitting at a table with 15 partners working at the school. What would you ask them to do based on this graph?
3. What would you like to see change?

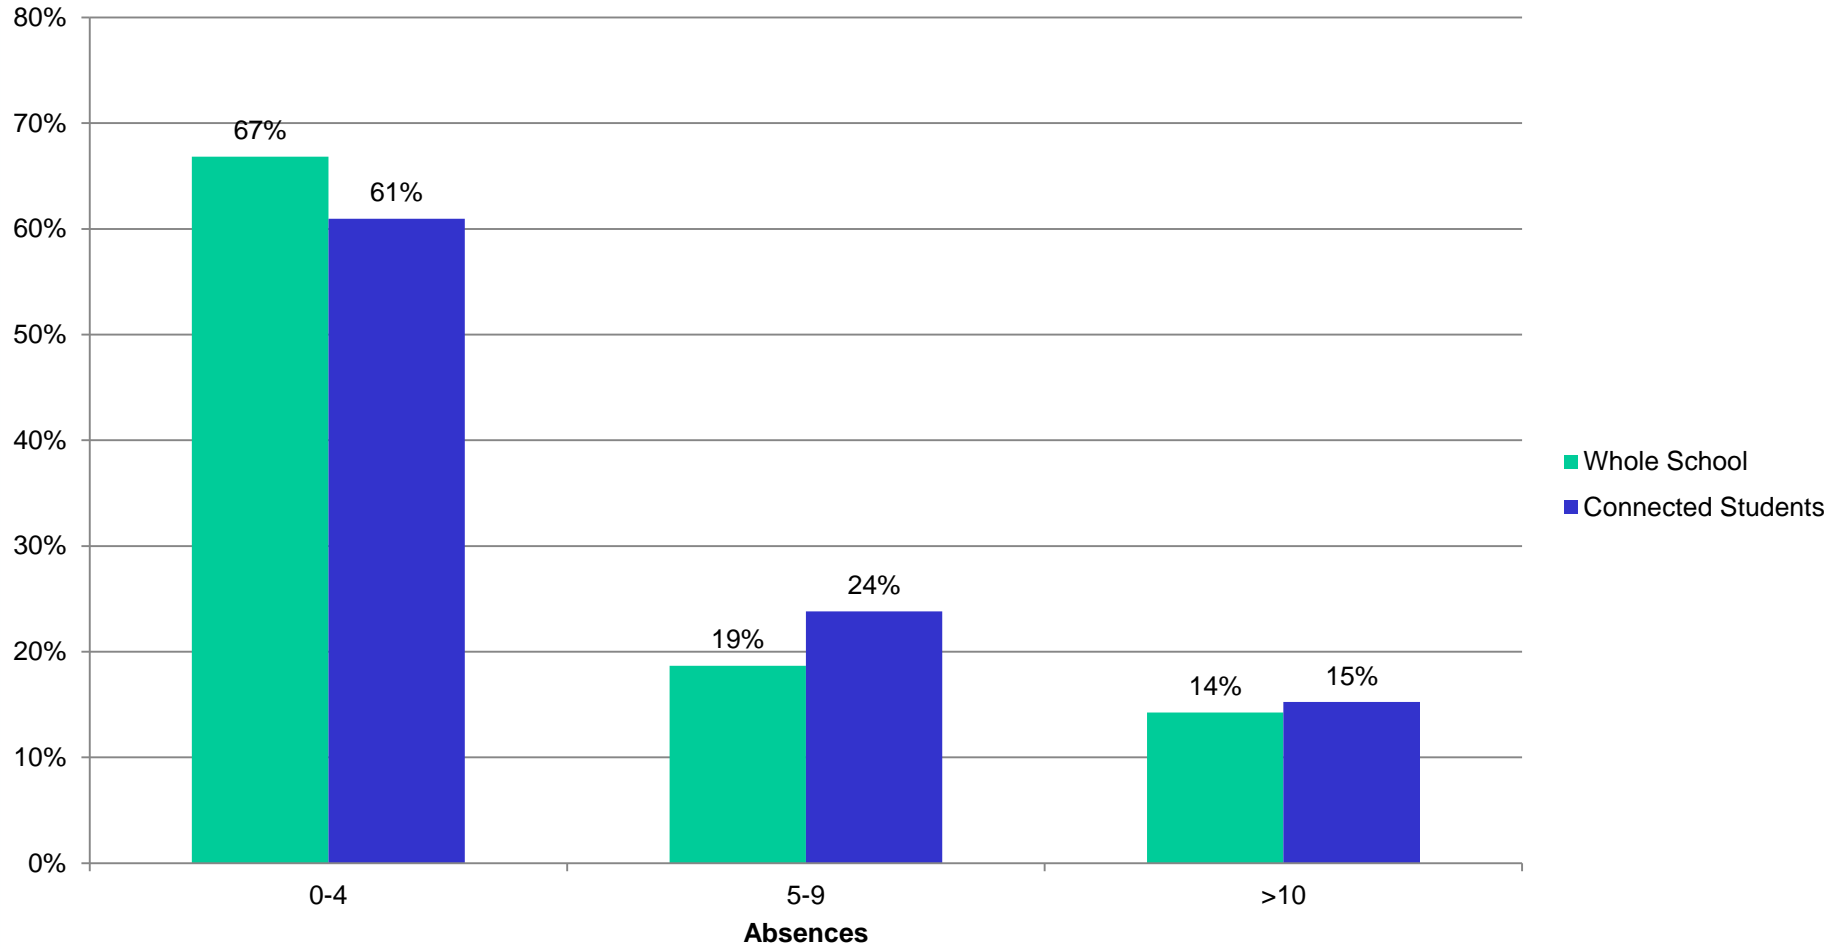

Behavior Grade Changes

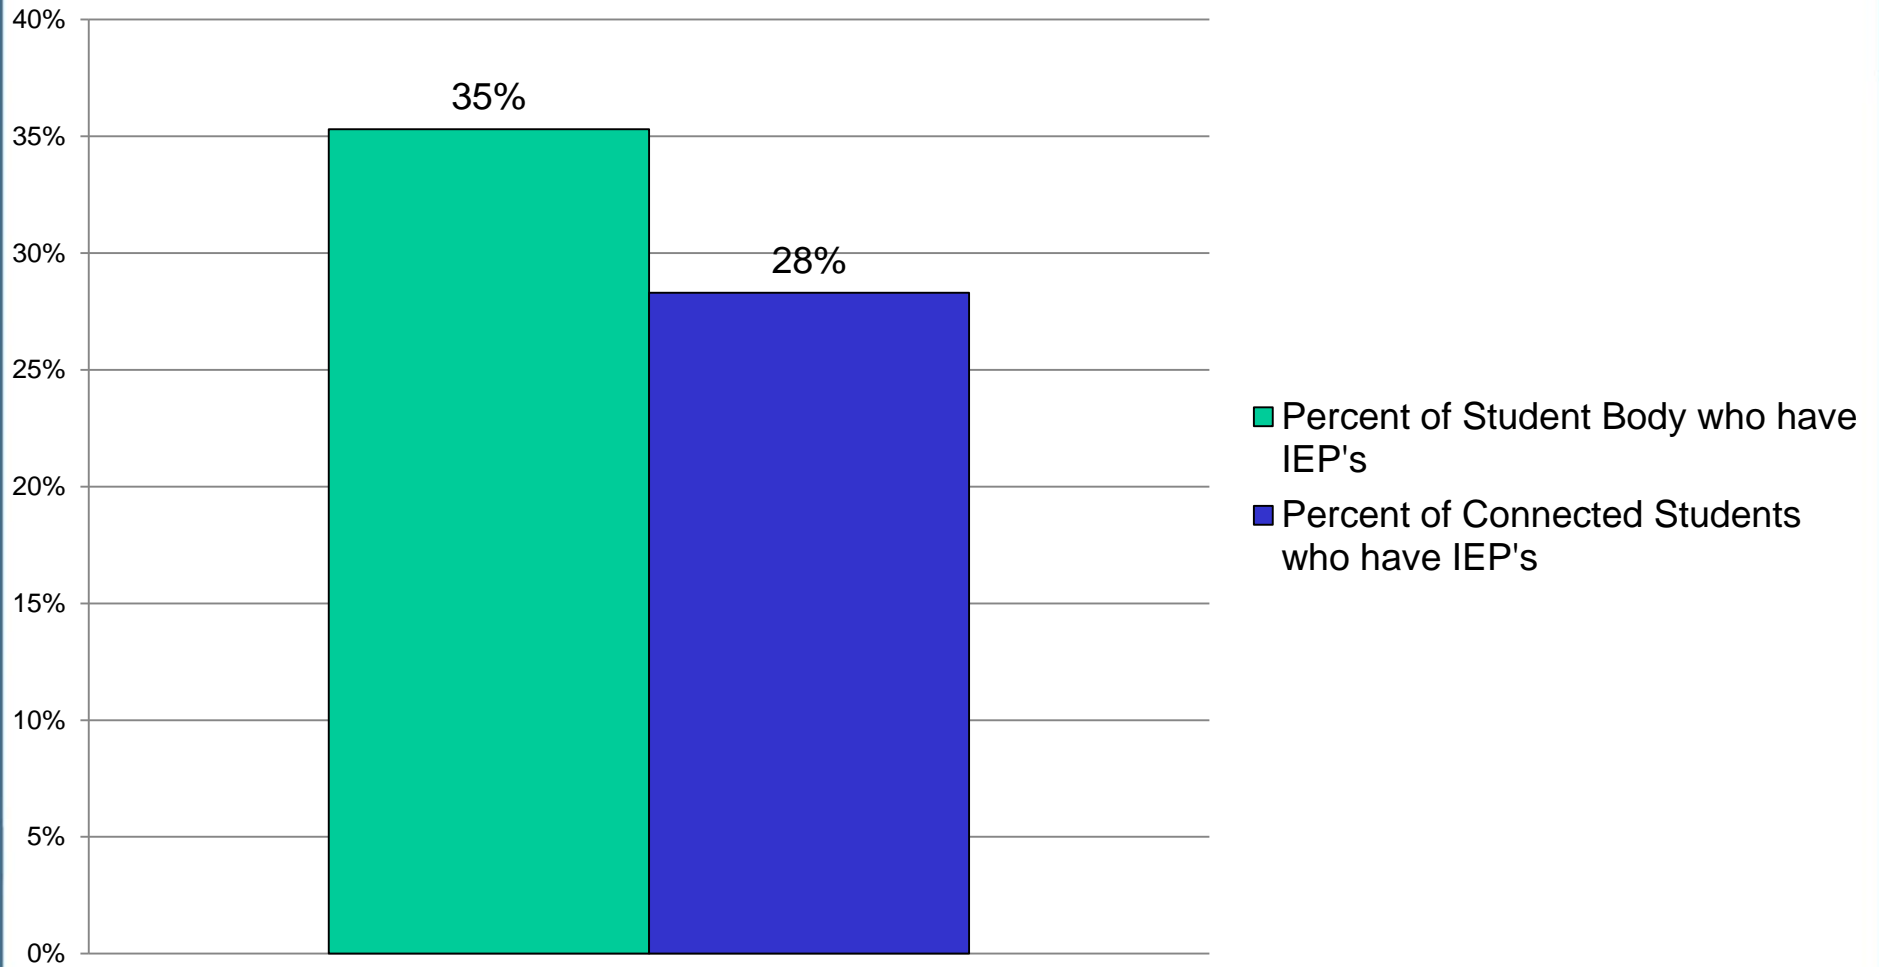

Days Absent by Q3 (Unexcused)

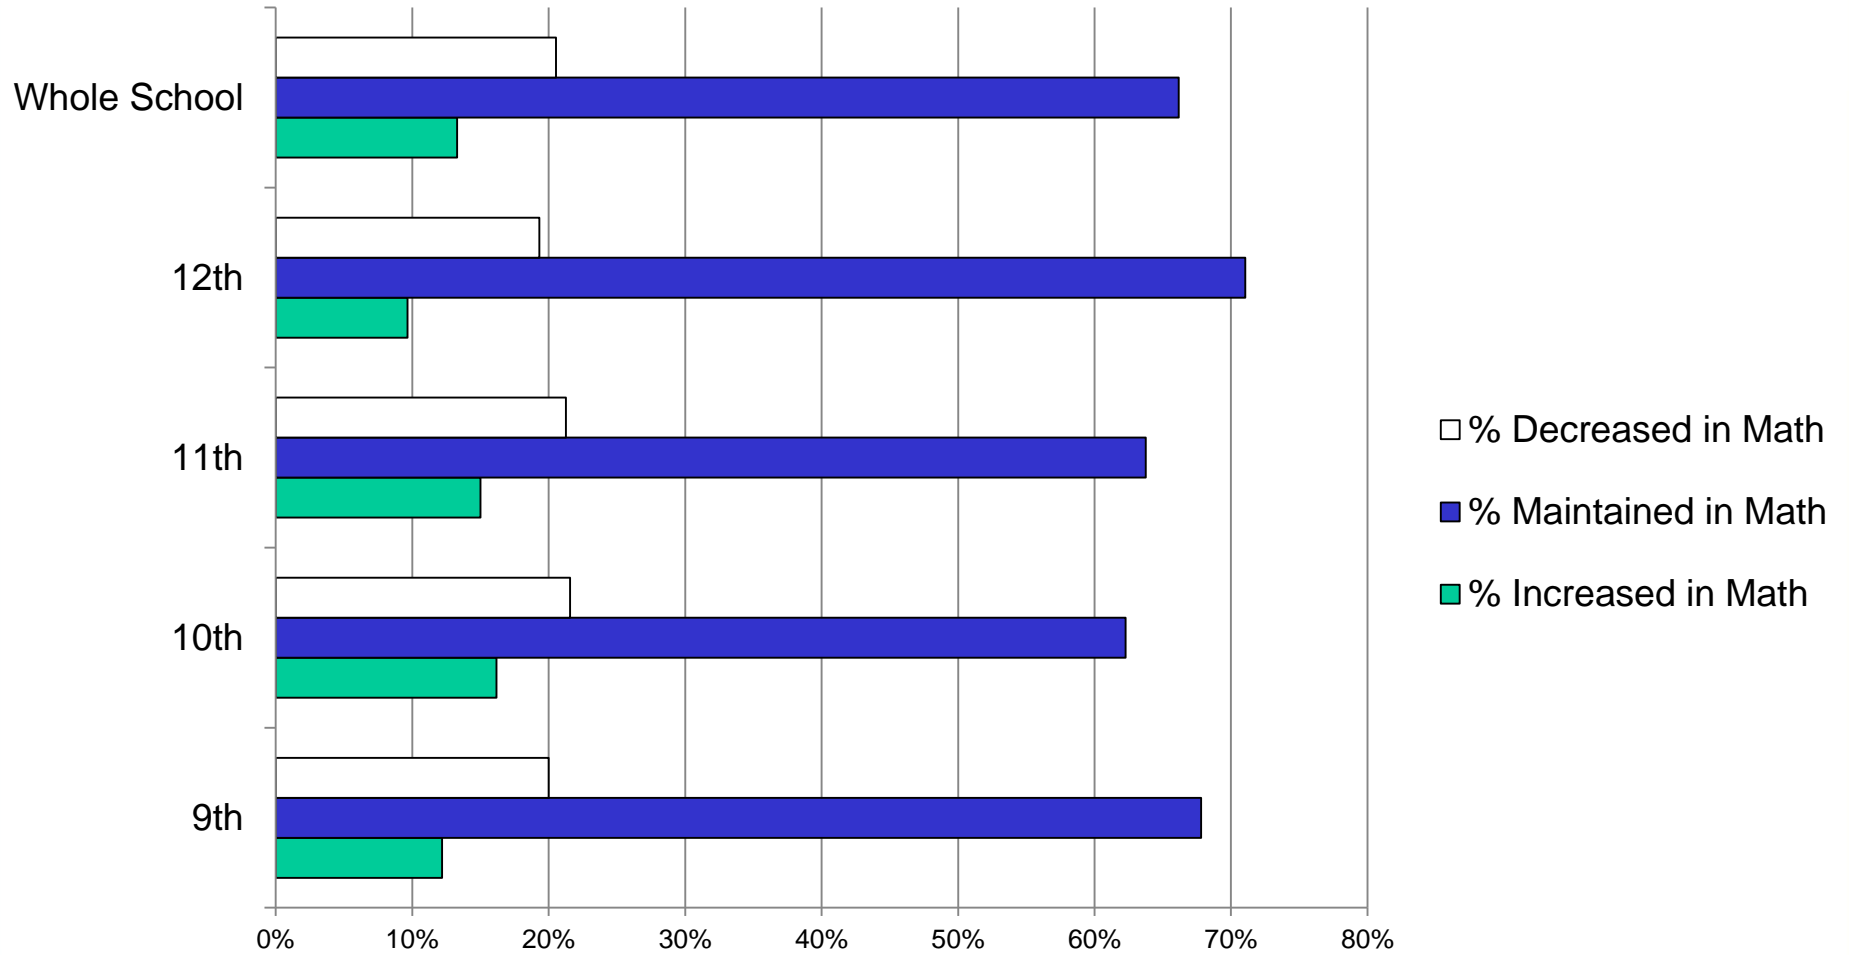

Students with IEP's Connected to Services

Changes in Math Grades from Quarter 1 to Quarter 2
